The YMCA of the Capital Area does not provide accident or medical insurance for program participants. I recognize that participation in YMCA sponsored activities may expose me or my child to risk of injury. I agree to hold the YMCA harmless from any claims, which may occur through participation in any activity at the YMCA or in its programs. In cases of emergency or accident to myself and/or to my child and I am unable to respond or be contacted, I hereby grant the YMCA director or his/her agent to secure proper medical treatment and transportation for myself and/or my child to an appropriate facility for treatment. As a YMCA participant, I authorize the YMCA to use any images taken of myself and/or my child for promotional purposes of the YMCA. I have read and understand the above information and therefore grant myself and/or my child permission to participate in this YMCA Program in accordance with the conditions set forth above.

Youth Levels 1–3 Outcomes: Students learn personal water safety and achieve basic swimming competency by learning two benchmark skills: Swim, float, swim-sequencing front glide, roll, back float, roll, front glide, and exit. And Jump, push, turn, grab.

Youth Level 4 Outcomes: Having mastered the fundamentals, students learn additional water safety skills and build stroke technique, developing skills that prevent chronic disease, increase social- emotional and cognitive well-being, and foster a lifetime of physical activity.

- **Youth Level 1 (Water Acclimation):** Increases comfort with underwater exploration and introduces basic self-rescue skills performed with assistance. Skills learned include: submerge, front glide, water exit, jumping in, back float, assisted roll, front float, back glide and swimming assisted 10 ft.
- **Youth Level 2 (Water Movement):** Encourages forward movement in water and basic self-rescue skills performed independently. Skills learned include: submerge, front glide, water exit, jumping in, back float, assisted roll, front float, back glide, treading water and swimming unassisted 5 yds.
- **Youth Level 3 (Water Stamina):** Develops intermediate self-rescue skills performed at longer distances than in previous stages. Skills learned include: submerge, swim on front, water exit, jumping in, swim on back, unassisted roll, treading water and swimming unassisted 25 yds.
- **Youth Level 4 (Stroke Introduction):** Introduces basic stroke technique in front crawl and back crawl and reinforces water safety through treading water and elementary backstroke. Skills learned include: Endurance, front crawl, back crawl, dive, resting stroke, treading water, breaststroke and butterfly.
